GLOBAL ANTI-SEMITISM

Joshua Cohen, Director of the Anti-Defamation League's NJ regional office, will speak on GLOBAL ANTI-SEMITISM, leading a timely discussion with an interactive audiovisual presentation.

Mr. Cohen joined ADL in 2009 and was named Director of ADL's NJ Regional Office effective January 2015. Prior to joining ADL, Mr. Cohen was a government relations executive at UJA-Federation of New York where he managed a multi-issue health and human service lobbying portfolio.

Mr. Cohen has stated how pleased he is to be "advancing ADL's mission in the state of New Jersey." He feels strongly that "there are many communities across the state that place a high value on the pillars that are near and dear to ADL -- whether it means fighting anti-Semitism, bigotry and hate, collaborating with our coalition partners, furthering our civil rights agenda or enhancing our educational initiatives.

The Anti-Defamation League was founded in 1913 and is the world's leading organization fighting anti-Semitism through programs and services that counteract hatred, prejudice and bigotry.
