PARENT TESTIMONI-

Para HIPPY,

06/03/2011.

Por medio de esta nota quiero agradecerles habernos permitido participar en este programa para nosotros fue una bendición, ver como ^{nuestros} ~~mis~~ hijos aprendían, cual es su aprendizaje y sus habilidades y donde necesitan apoyo, pero lo que más nos alegra es poder ver reflejado este trabajo en las notas escolares de cada uno. Además que en este tiempo de aprendizaje se convirtió en compartir un gran agradable rato familiar.

Atentamente.

Luz y Victor Santiago.

*****Through this note, I want to appreciate you for allowing us to participate in this program. It has been a blessing seeing as our children learn, seeing their abilities and where they need support. What we are the most happy about is this great work reflected in our children's school grades. In addition, this learning process has become a great way to share quality time with the family.

Sincerely
