

The Risk is Too Great to Stay Home: Vote to Save Lives!

This November we urge you to learn the positions of the candidates on your ballot. Specifically, what are their views on our five advocacy issues?

- Gun Violence Prevention
- Human Trafficking
- Immigration Reform
- Voting Rights
- Women's Health/Reproductive Justice

While NCJW is a non-partisan organization and, therefore, does not endorse any candidate, we implore you to go to the polls or vote by mail – to keep New Jersey's women, children and families healthy and safe.

Please Vote on November 4!
