

Come Honor the Memory of the Victims of the Newtown Massacre

Please join our vigil

Join with us to remember the 20 children and 6 adults
who were shot to death two years ago
at Sandy Hook Elementary School

***** Sunday, December 14th from 4:00 pm to 5:00 pm *****
Temple Emeth Parking Lot, 1666 Windsor Road, Teaneck
(Temple Lobby if weather is inclement.)

Elected officials, community and religious leaders
have been invited to attend. Bring flashlights. We will supply 26 candles.

If you want to make a statement against gun violence in our country, or just feel the need to stand with others to remember the precious lives lost at Newtown, Connecticut, please attend our vigil. Although we cannot bring back the tens of thousands lost to rampant gun violence every year in our country, at least we can stand together in consolation.

The Bergen County Coalition to Prevent Gun Violence and National Council of Jewish Women Bergen County Section invite you to support our efforts by remembering the loss of innocent lives, and working with us to bring about legislation designed to end gun violence.
