## MUSEUM OF THE MOVING IMAGE

and

## the **noguchi** museum

We will start the day at the [Museum of the Moving Image](#) in its multi-million dollar, newly-renovated facility. A docent-led 90-minute tour of its core exhibition, "Behind the Screen," is a one-of-a-kind experience that immerses visitors in the creative and technical process of making, promoting and presenting films, television and other forms of digital entertainment.

We will then enjoy a multi-course luncheon at one of the Greek restaurants for which Astoria is so famous, [MP Taverna](#).

Because we don't want to miss out on another of Queens' treasures, we will go a short distance to the [Noguchi Museum](#), also newly-renovated, to experience a tour of the renowned sculptor's works.
