## Force for Change: Israel Through a Gender Lens

Experience the diverse and complex splendor of Israel and the creative women revolutionizing Israeli society.

Be a part of vital conversations that will shape efforts to further gender equality in Israel for years to come.

Meet Israeli women activists, scholars, politicians, businesswoman, journalists, artists and more.

Conclude the trip with a once in a lifetime symposium unveiling the culmination of groundbreaking research conducted by NCJW and the Dafna Fund on the status of the feminist and women's agenda in Israel.

*This unique study tour is especially crafted for leaders of National Council of Jewish Women and Jewish Women's Funds.*
