Study Group

THE EFFECTS OF CLIMATE CHANGE TO THE WORLD ENVIRONMENT AND HUMAN HEALTH

Tuesday, November 28, 2017 at 1 p.m
Temple Emeth, 1666 Windsor Road, Teaneck

**Guest Speaker Susan Golden
taken at a cleanup
earlier this year.**

It seems like everyone these days is talking about climate change and environmental concerns. It is clearly something we should all know about! Please join us as we hear speaker Susan Golden give a presentation on this very timely topic. She will discuss the causes of and the methods to mitigate the effects of global warming and how it impacts all our lives.

Susan Golden is a trained Climate Reality Leader trained by former U.S. Vice President Al Gore and the Climate Reality Project. She is currently the chairperson of the Paramus Environmental Commission, as well as a volunteer with the Hackensack Riverkeeper organization.

So save the date!

Note that this study group is at Temple Emeth!

There will be light refreshments.

Charge will be \$5 for members and \$10 non-members.
