

Vigil to #EndGunViolence

Join us as we gather to commemorate the anniversary of the Newtown massacre—December 14, 2012 — when 20 children and 6 educators were killed by a mass shooter at Sandy Hook Elementary.

We will honor their lives and all of those killed by gun violence in the United States — 100 a day.

When: Sunday, December 8 at 4 p.m.

Where: Central Unitarian Church
156 Forest Avenue, Paramus

Special Guest Speaker:
State Senator Loretta Weinberg

Program will include music, readings, and a call to action to demand common-sense and evidence-based solutions to our gun violence epidemic, which claims almost 40,000 lives yearly.
