

Stay-at-Home Dinner

National Council of Jewish Women  
Bergen County Section

makes a difference in the lives of  
women, children and families in our  
community and in Israel.

Our advocacy voice is heard in the  
State and National governments.

In these trying times please  
give generously.

For many years we've been content  
To plan a **Stay-At-Home** event.  
Right now, as has been for awhile,  
Staying at home is exactly in style.  
You don't have to buy a new dress or heels,  
No need to drive up in fancy wheels.  
Pick foods that will make you fat or thinner  
Eat what you like when you sit down for dinner.  
You don't have to don a stylish mask,  
Your fullest support is what we ask.  
COVID has turned many lives from sunshine to rain  
But you can help a lot when you donate to our  
**Annual Personal Giving Campaign.**  
For many whose existence is hard  
Please give from your heart  
When you send in your response card.
