

# Zoom into Summer

with Bergen County Section on  
Tuesday, June 16 at 1:00 pm

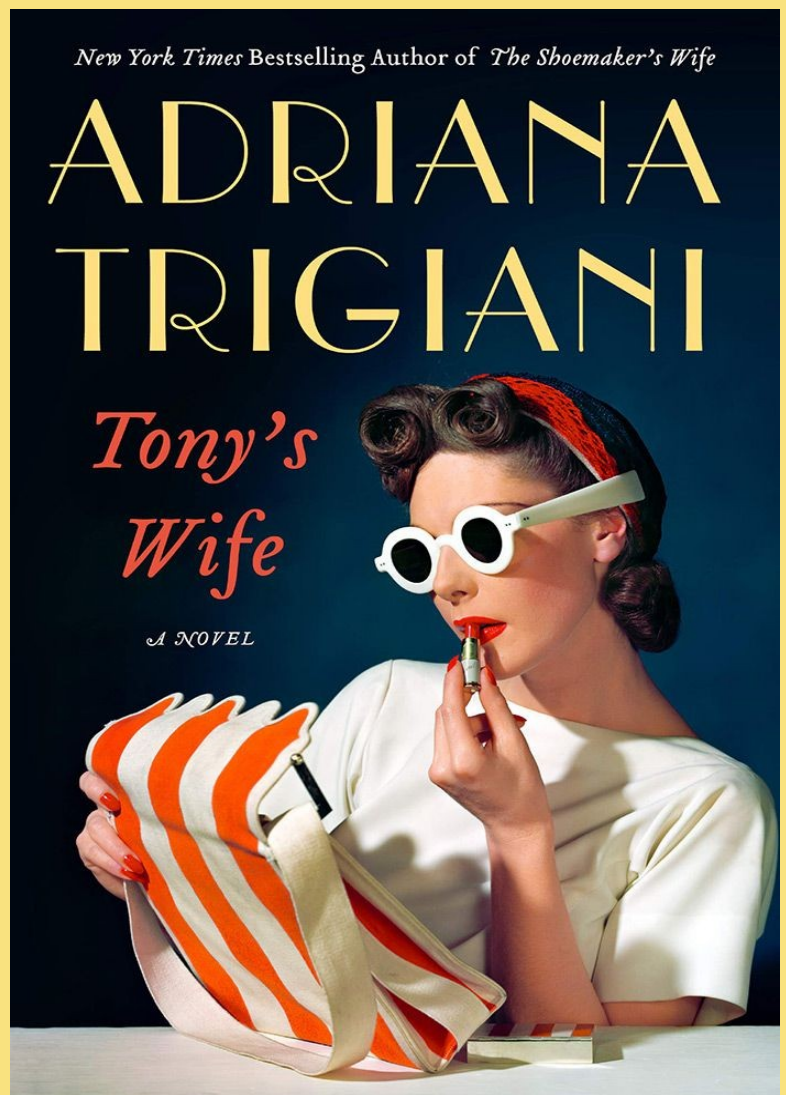

...when we feature Adriana Trigiani as our speaker. Adriana is the author of 18 books, a playwright, filmmaker and producer. She will put a smile on your face and evoke some heartwarming feelings. Just listen to her speak on "Art During A Pandemic." We promise a light and enjoyable program.

Our thanks to Ken Sarfin of Books and Greetings for making this appealing program possible. Ken's mother, Flo Sarfin, was a life member of Section and was responsible for bringing us the annual Book and Author Program which we all loved.
