

Virtual Trip to The Illinois Holocaust Education Center

Tuesday, February 9, 2021
1:00 - 2:00 pm

Please join us on *zoom* for an interactive tour of the *Life and Times of Ruth Bader Ginsburg*. The exhibit is a vibrant exploration of Justice Ginsburg's life and her numerous, often simultaneous, roles as a student, wife, mother, lawyer, judge, women's rights pioneer, and Internet phenomenon.

This multimedia tour tells the parallel stories of RBG's remarkable career and her efforts to expand the ideal "We the People" found in the preamble to the Constitution to include those long left out of the Constitution's promises.

This exhibition developed by Los Angeles Skirball Cultural Center has traveled throughout the country to rave reviews. Curator **Arielle Weininger** will guide the tour and discuss the photos, videos and artifacts. A docent will moderate a live Q&A.
